**Requirements for Student Teacher – Please read carefully and sign below.**

1. You must be in Level 4 or above in the class you are requesting to student teaching and be at least 10 years old.
2. You should be student teaching a class where the majority of the students are younger than you and you are and at least 2 levels above them.
3. This is a serious commitment and must be treated like a job. Therefore, if you must miss a class, you must give notice and call the front desk if there is an emergency. You must always communicate with the teacher you are assisting and explain the absence and this includes tech week or performance absences.
4. Student teachers may not be late and should arrive 5 minutes early to wait with the class while lined up.
5. Student teachers must attend all extra rehearsals for recital and tech and dress rehearsals. Student teachers are runners for their class at the recital.
6. Children need consistency, therefore, student teachers may not quit before the end of the year.
7. Only one class may count towards external PE Credit hours. Missing will count as an absence.
8. Student teachers will be as helpful as possible to the teacher and assist by demonstrating and keeping the students in order during class and by starting the class if the teacher is detained.
9. Student teachers must treat all students with kindness and respect and never appear “bossy.”
10. I understand that this is a learning experience for me and will prove helpful to me if I ever choose to teach dance and will be a valuable part of a resume.
