BC 30th ANNUAL SUMMER PROGRAM OFFERINGS

June 22 - July 17, 2020

We opened our doors in the summer of 1991 with a mission to provide excellent training for dancers in all dance styles with an emphasis in classical ballet technique. Thirty years later, Ballet Conservatory is known and respected throughout the metroplex as well as nationally and has been named an **"Outstanding School"** by **Youth America Grand Prix** for 4 years as well as **"Best School"** by the **Canadian World Ballet Competition**. We are proud of our professional faculty, dedicated dancers, and successful alumni. We believe it is important to lay a proper foundation for even the youngest dancers so they can achieve their future goals safely, correctly and with great success no matter what field of dance they pursue! Enjoy reading what we have to offer this summer. Know that we are more grateful than ever before for our BC students, families and beautiful studios. Feel free to email us with any questions.

PRINCESS CAMP – June 30 to July 2 *Cost: \$125 for Ages 3 to 6

By-the-class rate is \$20. Mr. Jordan's classes are \$25 per class. *NO REFUNDS OR CREDITS GIVEN. This year, due to very limited class numbers and anticipated waiting lists, it will be important for you to attend all classes you are enrolled in. We will not refund or credit your tuition for missed classes. TUITION MUST BE PAID BEFORE ATTENDING 1ST CLASS.

30th Annual SUMMER WORKSHOP INTENSIVE

Dear Parents and Students,

Because of the Covid Crisis, we were very concerned about being able to offer our popular Summer Workshop Intensive! But we are here and able and a big celebration is in order! 30 years ago, our studio opened with this Workshop. It was our hope to offer a program similar to the serious programs offered by the major ballet institutions around the country. Our students who could not go away would have a program at home to continue to improve over the summer. The program also accommodates younger and less advanced dancers who are not eligible to go away and because they get so much attention at home, they are prepared well for the day they are eligible. Ironically, this summer, our advanced dancers have had their out of town summer workshops canceled due to Covid-19, and we are blessed that we are able to stay open due to the support of all our families during this unprecedented time! We have been at home so long and we are all ready to get back to work. While class size is limited, we are still planning an awesome summer! Keep in mind that maximum improvement can be seen if you take advantage of all of the weeks of the workshop and do your best to keep consistent attendance and continue to do your stretch and conditioning exercises from the Virtual Studio at home!

We will celebrate the beginning of our 30th Anniversary and the return from Covid with our Summer Workshop performance at the MCL Grand on THURSDAY and FRIDAY, July 16 and 17 for those who would like to participate. The performance will be optional this year but you can still participate in the Workshop without committing to the performance. For those who wish to be in the performance, you will need to attend a separate rehearsal which will be scheduled sometime between Mondays, Tuesdays or Wednesdays between 4:30 pm and 8:30pm. Please read the paragraph at the end of this Workshop schedule that says "PERFORMANCE OPTION."

WHAT'S NEW THIS SUMMER.....

In-Studio Classes will be supplemented with Zoom for classes such as conditioning and Summer Lecture Classes which do not need the studio allowing us to keep all workshop classes in the large A and B studios. We are working on continuing Zoom classes for those who are not yet comfortable coming to the studio. Email Mrs. Lannin at KellyLannin.BC@gmail.com if you would like more information about Zoom options.

FRIDAY CLASS! A1, A2, and A3 Students will have Master Classes every Friday morning! We had so much fun with this during our Saturday Master Class Series that we plan to continue this with live Guest Teachers and also via Zoom but with dancers in the studio! Don't be surprised if Guest Teachers show up throughout the week as well! We have some new ones planned as well as some of your favorites returning!

This year will be very different in regards to registration. Because space in each level will be limited, everyone will need to be pre-registered online and you must select which weeks you will be in attendance. You must also register separately for the Performance Option so we can plan which dances we will need to prepare in just four short weeks. We can only accommodate a certain number of students per level and we need to know if there is a week you are not available to take so that a student on the waiting list can be accommodated. If you do not let us know that you will miss a week, you will be required to pay for that week. More information regarding the detailed schedule and items needed will be emailed to you once you enroll.

ALSO NEW THIS SUMMER WILL BE THE ADDITION OF A NEW LEVEL! Due to social distancing limits for each class; our advanced dancers being home this summer; and because of requests from alumni who will be home this summer, we are starting a new level called ADVANCED/PRO. This Level will be A2 and A3 Ballet Students with professional level dancers and our advanced alumni. We are excited because this will give our top level the opportunity to work at a more advanced pace. However, both our Adv/ Pro and our A1 Students will participate in Friday Master Classes using both studios!

It's going to be a great summer and we look forward to getting back to the studio. Make sure to read the Covid Safe Guidelines which will be posted on our website and emailed to you once you register!

WORKSHOP SCHEDULE AND TUITION INFORMATION

NOTE: Tap and Musical Theater are not part of the workshop, but they are available on the Open Schedule. Workshop students are charged a discounted rate of \$15 a class for Open level classes if they are enrolled in Workshop with the exception of Tracy Jordan Tap classes which are \$25 per class. Due to limited space in each class, if you enroll in an Open Level Class and do not attend, no refunds or credits will be given.

All Workshop Students will continue to receive access to the Virtual Studio and new content will be updated periodically! It is strongly recommended that you continue to do classes from the Virtual Studio since our studio time is limited more this year with social distancing requirements. Class size will be limited, please register early to insure your place **in the studio**.

PERFORMANCE OPTION - Please read as this is different from past years.

PERFORMANCE IS OPTIONAL AND YOU DO NOT HAVE TO BE IN THE PERFORMANCE IN ORDER TO DO WORKSHOP. You do, however, need to be registered for the Workshop in order to do the Performance. Unlike previous years, rehearsals will be separate from the Workshop Classes.

For those who do not feel comfortable letting their dancers participate in a performance setting, you will not need to be in the performance in order to get the benefits of the Workshop Classes. For those who are excited to get back on stage, please read the following:

1. There will be two shows this year on Thursday and Friday Evening, July 16 and 17 to accommodate more people in the audience. We will film the performances for those who do not want to actually sit in the theater. Each dancer will be allotted a certain number of tickets to the performance. We will know the number of tickets that can be given to each dancer once we know how many performers are involved and the Social Distancing Guidelines presented by the MCL Grand. The MCL will be opening in June with their regular performance summer concerts so we will be monitoring that closely.
2. There will need to be a \$50 Additional Fee to participate in the Performance at the MCL Grand. There will be a family max of \$80.
3. In order to be in the performance, dancers must enroll for it at the time of registration by clicking the Performance Option.
4. Dancers will need to attend a separate weekly scheduled rehearsal in the late afternoon or evening when workshop classes are over in order to rehearse the dances for the performance. We are hoping we can perform some of the recital works but we will need to see who actually enrolls before we decide what we will perform. Once we know, we will decide what dances we can present and make the rehearsal schedule. We do plan to perform some of the dances from Recital if we have enough dancers to make the dance work.
5. Your rehearsal will be scheduled on either Mondays, Tuesdays or Wednesdays between 4:30pm to 8:30pm. We will work around anyone who is enrolled in Tap classes with Mr. Jordan or Ms. Clarkston. You may also submit a conflict request for rehearsals when you enroll but we cannot promise we can work around everyone. The Rehearsal Schedule will be sent out the Sunday before Workshop begins. If for some reason you cannot attend the scheduled rehearsals, you will be refunded your \$50 performance fee. The DEADLINE to let us know if you are participating in the performance will be Friday, June 19th. Payment of your Performance Fee will let us know if you wish for us to include you in the performance plans.
6. If you must miss one rehearsal, it is possible that you can still participate in the performance, but that will be up to the teacher/choreographer's discretion. Much depends on which rehearsal you miss or if the teacher feels you know the choreography well enough.

We can't wait to get back onstage so keep your fingers crossed that this will all work out! If for some reason we cannot hold the performance, we will refund or credit your \$50 performance fee.
